Dedication

MRS. LILLIAN KELBLEY

We, the Senior Class of 1956 wish to dedicate our annual to our sponsor, Mrs. Lillian Kelbley. She has worked endlessly for our class. As juniors she was class advisor and also advisor for our school paper, the Scarlet Banner. She is advisor for our class as well as advisor for this year book. To you, Mrs. Kelbley, we dedicate this 1956 Scarlet and Gray to show our love and esteem for you.

In Memoriam

ROGER DUANE (JERRY) CLARK

In April, 1947, as third graders, we were very saddened by the news that our classmate, Jerry, was accidentally killed. This expression of love and esteem for Jerry shows our affection only slightly in comparison to the very deep feeling we all experienced at the time of his death. In his memory we give this page.

*"We strive to serve our community with the
best of our ability."*

Congratulations Seniors: It has been a pleasure to know and work with you this year. Our best wishes go with you as you leave the school that has been so much a part of your lives. The memory of you as a good co-operative, hard working class will long remain with us. We know that you will always be loyal to Hope-well-Loudon.

Floyd T. Porter

To the Graduating Class of 1956:

Our acquaintance has been rather short but pleasant. In class and other school activities your co-operation was fine.

It is my hope that your experience after you leave us will be as successful. Our purpose as teachers has been to try and equip you with knowledge and, to be able to use this in the occupation you choose. Do not be discouraged if you meet with a failure or so. Life is full of stormy paths which you will have to weather.

May the education you have gathered here make you good citizens. Take a part in local affairs, state and national. Vote and voice your opinion after due consideration. In whatever you do may you meet with success.

1956 Class History

We, the members of the Senior Class, who entered the Hopewell-Loudon School in the year of '44, have spent twelve of our happiest years of friendship together.

During our first six years, we learned the first steps in a good education. While in grade school many of the members began taking music lessons to qualify for membership in band and orchestra.

In Junior High we participated in cheerleading, basketball, band and glee club to be better qualified for our years to come.

We were happy to enter High School as Freshmen. Officers were elected: President, Rose Mary Smith; Vice President, Paul DeWald; Secretary, Patricia Gaster; Treasurer, Carol Jean Streng; Reporter, Trulene Fruth. We chose our class motto, "Today We Follow, Tomorrow We Lead." Our class colors are blue and white, and the White Tea Rose is our class flower.

As Sophomores, the following class officers were elected: President, Richard Scaife; Vice President, Trulene Fruth; Secretary, Carol Jean Streng; Treasurer, Patricia Gaster; Reporter, Alma Breidenbach. Our big event was the Freshmen-Sophomore Prom.

Our Junior year was very busy and exciting. We were busy publishing the Scarlet Banner throughout the year. Our exciting moments were presenting the Junior Class Play, "The Perfect Idiot," and most exciting, the Junior-Senior Prom. Our class officers

for the year were: President, Patricia Gaster; Vice President, Dean Hoffman; Secretary, Carol Jean Streng; Treasurer, Richard Dundore; Reporter, Rose Mary Smith.

Now as Seniors, we can be proud of what we put forth to make Hopewell-Loudon such a great school. We feel this book will be remembered as part of the school's life history. Our class officers for the year were: President, Richard Dundore; Vice President, Rose Mary Smith; Secretary, Patricia Gaster; Treasurer, Carol Jean Streng; Reporter, Richard Scaife. We will never forget our last Junior-Senior Prom in '56.

Now as adults, we go into the world well prepared to face the future, thanks to the contributions from the wonderful teaching staff. We are fortunate to be able to say we are graduates of Hopewell-Loudon School.

1956 Class Prophecy

I, Donna Steinmetz, as a famous hillbilly singer on "The Grand Ole Opra," in Nashville, Tennessee, have been doing a great deal of traveling these days putting on shows.

One afternoon I boarded a plane for New York where my next appearance was to be on the "Eddy Arnold Show." This was, by the way, my first trip to New York.

It was quite lonesome when I first arrived there, so I decided to go shopping.

As I entered this one store, a voice was shouting, "Hurry! Hurry! Big bargain, lose twenty pounds in one week." People were pushing and running every which way. When the people finally cleared away I decided to go back and see what the big bargain was. To my surprise, there was my former classmate, Sue Comer, demonstrating and selling "Wate Off." Sue told me she was Head Manager of Murphy's 5 & 10 cent Stores in New York and almost a millionaire. So this is Sue's slogan, "If you want to make a million, go to Murphy's."

As it was lunch time now, I went to a restaurant across the street from Murphy's called, HOFFY'S TAVERN. When I walked in, some girl yelled, "What'll you have?" and told me to grab a seat. Later I learned that it was Alice Hoffman, the T. V. star, who was awarded top comedian on the HOFFY'S TAV-ERN SHOW.

As I was leaving HOFFY'S TAVERN, the surprise of my life came when I bumped into my classmate, Carol Jean Streng. This was our first meeting in ten years. She told me she was secretary for the Hoffy's Tavern Show and appreciated working for such a great comedian.

It was about time for my appearance on the Eddy Arnold Show, I invited Carol Jean to be my guest in the audience. Afterwards Carol Jean said she enjoyed the show very much and asked me to see the city with her. As we were enjoying the beautiful scenery, I asked Carol if she knew anything about our classmates. I was simply astonished when Carol told me that Carl Painter was a Toni Model on the Arthur Godfrey program. We sure hope Carl won't be fired.

Carol informed me that Mr. and Mrs. Paul DeWald built a new home in New York. Paul is the coach for the Globe Trotters and his wife (former Patricia Gaster) is very busy caring for their five children. What an exciting life it must be.

I had to leave New York the next day to go to California for several shows. I thanked Carol Jean for the wonderful time and wished her good luck as a secretary.

When I entered the train, the porter asked for my ticket and showed me to a comfortable seat. He introduced himself as Ronald Bogner, and I asked for a paper to read. I then introduced myself, and it wasn't until then that we realized we had gone to school together ten years ago. I asked Ronald if he ever heard anything of Tom King. He handed me the paper with excitement, and the headlines read, TOM KING, NEW 1965 CHAMPION OF THE INDIANAPOLIS SPEED WAY. The paper also said Tom was President of The Ohio Hotrod Association.

The train made its first stop in St. Louis, Missouri. When I went into a little cafe to get a bite to eat I saw my girl friend, Rose Mary Smith. She didn't notice me until I was about to leave. Rosie told me she was attending Kroger's Convention for a week to learn more about Top Value Stamps.

I went back to the train and continued reading the paper. Another big headline read, BY CRACKIE, LATEST INVENTION; this seemed very interesting so I continued to read on and found out it was by a boy in my class. Richard Scaife had invented a new type of fire cracker called BY CRACKIE. It was the most powerful of its kind, by crackie.

It was early in the afternoon when I arrived in Hollywood, California, and decided to go to a studio where I heard a former classmate worked. Sure enough, there was Joanne Haugh, a famous comic writer for Tarzan. It was certainly a thrill to meet an old friend again.

Joanne informed me that another friend, Willetta Burt, has been making a big splash in Hollywood. Willetta is very busy taking Liberace's place in a movie called, TOO HEAVY TO HOLD THE GUN. And more exciting, Willetta has just recently become Mrs. Tom Eberly.

Joanne said she had recently received a letter from Richard Dundore, saying he just signed a five year contract as director of the Firestone Orchestra.

I had to say good-bye to Joanne for it was time for me to appear on the Gene Autry Show, and then say good-bye to California.

The show was over and I boarded a plane back to my home town of Tiffin, Ohio.

As I reached the Tiffin Airport, two of my sweetest friends were there to meet me: Virginia Feindel and Marilyn Schreiner, public health nurses of Seneca Co. They told me of their discovery, a new kind of pill for school children, called PEP-ER-UP-ER, and their traveling salesman for the PEP-ER-UP-ER Company is Dean Hoffman.

Marilyn told me that some of our friends were in the medical profession in Bascom. It looks like Bascom is a big city by now.

Virginia said Gerald Lowery is a Dentist and Paul Rinebold, a foot doctor. The nurses mentioned that both doctors are recommended by most people.

There is a new building for furs in Tiffin, owned by John Droll. I ordered my new fur coat from John and he told me he was Head Manager of WILLMAN'S RABBIT RANCH.

I'll be leaving for Nashville in a couple of days and I want to say to all my classmates, that this has been the most enjoyable trip I have ever taken. And I'll remember the Class of '56 as the most interesting and outstanding class in the history of the Hopewell-Loudon School.

DUANE WARNS

Junior—Guard

Duane had speed and a deadly jump shot. His spirit kept the team together at tense moments. Duane was fourth high in county scoring. Big things are expected of Duane next year.

JIM BURNS

Junior—Guard

One of the best defensive men on the squad. Jim didn't score a large number of points but was fast and aggressive. Next year Jim should really excel.

PAUL DeWALD

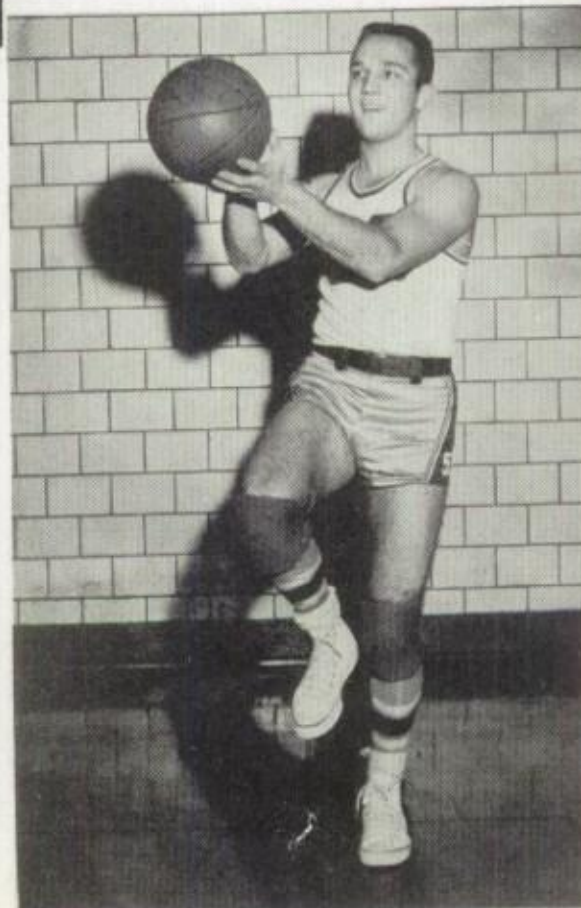

Senior—Center

Paul used his height and weight for rebounding. He out-rebounded some of the biggest men in the league. Paul had a good jump shot and will really be missed next year.

H. L.

Chieftains

DAVID DUNDORE

Junior—Forward

Dave was always a fighter. His rebounding and his odd jump shot kept the opponents guessing. Dave has gained experience and will be an asset to next year's team.

DEAN HOFFMAN

Senior—Forward

Dean saw a lot of action. Dean had some bad luck at the beginning of the year. He came back and did a very good job the rest of the year. Dean had a good hook shot and a good jump shot. He will be greatly missed next year.

BOB WALTER

Sophomore—Forward

Bob was always dependable and did an excellent job of rebounding. He did very good for his first year of varsity play. Being only a sophomore Bob should excel next year.

H. L.

Chieftains

REX HALL

Junior—Guard

Rex was aggressive and dependable. He was a good dribbler and was rough on defense. Rex should see a lot of action next year.

JACK PACHLHOFFER

The Annual Staff has worked very hard in making this 1956 Scarlet and Gray a good book. The Staff hopes that in the years to come you will receive much enjoyment as you get out your year book and go through it again recalling your many classmates, teachers, and the groups you participated in. We hope you will have as much fun looking at this book as we had making it.
